

TAJ Article List - a resource for the searching mind

This document lists all Transactional Analysis Journal (TAJ) articles from January 1971 to January 2008. All but 12 articles listed here are available to search, view and print using the TAJdisk v3.

TAJdisk v3 is a rich collection of TA literature spanning over 37 years of the Transactional Analysis Journal.

Over 1600 full text articles
Subjects cover Counselling, Psychotherapy, Educational and Organisational TA
Search by Title, Year, Author or Content
Use from the CD or transfer to your hard drive
Compatible with Acrobat Reader 6, 7, 8 or 9

The TAJdisk has been developed by Graeme Summers and authorised by the International Transactional Analysis Association (ITAA). Thank you to all of the authors who have generously given permission to make this volume possible. Thanks also to all of the ITAA members and staff who have supported this project.

Please support the ITAA and promote the continued development of this service by sending this document to anyone who you think may find this useful.

TAJdisk v3 can be ordered online at www.tajdisk.co.uk
